THE ITALIAN JOB

How's this for a scoop?

Sue Oakley has negotiated with the management of the UCI Cinema, Festival Park, Basildon, to show the recently released re-mastered version of "the Italian Job". This film is on a strictly limited release, and the UCI in Basildon have had to request it especially for us. Invite as many other Mini owners as you know along, and ask them to bring their Minis, we're hoping to put on a bit a display in the car park as part of a joint promotion with the cinema.

Spread the word about, and we will try to make this our biggest gathering for Mini's 40th!
